Susan—

We plan to update you on Denka at the OCE Weekly tomorrow. Given that the materials contain a great deal of information, we are sending them to you now so if you have time this afternoon, you can take a look at them. We will also send them to Shanita as usual this afternoon.

I hope your trip is going well so far.

Rosemarie

Subject: Denka - Briefing Materials for Susan

Hi Rosemarie,

Attached please find clean, updated version of the Denka briefing materials for Susan. They include (1) a power point presentation, and (2) a detailed summary of EPA's proposed project area monitoring system.

Ex. 5 Attorney Client (AC)

I will plan to bring copies to Thursday's meeting, but please let me know if we should send one up to Susan in advance and I will e-mail you a copy.

Please let me know if you have any questions or suggested revisions for the material. We would like to get these materials up to Susan by COB today, if possible, so that she has time to review before Thursday's meeting.

Thank you,
Provi
